## LEADERSHIP TROY 2017

Sponsored by:  
**TOYOTA**  
**BODINE**

A professional development program of the Troy Area Chamber of Commerce.

### What is Leadership Troy?

Leadership Troy provides participants with:

- working knowledge in the areas of government, education, growth in terms of industrial/economic development, quality of life and civic/leisure activities.
- Networking opportunities for those considering leadership roles in business, civic/social and other organizations or other facets of the community.
- Awareness of the challenges/changes taking place in our area as a result of growth and current economic conditions.
- As part of your participation in Leadership Troy, we also include a one-day session in Jefferson City in March 2018. This session introduces participants to those working for us at the State level as well as enhance the Leadership Troy experience. There is no additional cost for this session, it is included in your investment. Class members will also participate in a college/career mentoring session with our Youth Leadership class!

### Program Investment

Leadership Troy should be considered an investment in your personal/professional development. Cost of the program is \$200.00 per participant if you enroll before August 1, 2017. After August 1, the cost is \$225.00. This covers all sessions, program materials, transportation, meals and more.

### Alumni Option

Leadership Troy is planned solely on the feedback from those participating in the program. The biggest request we receive from Alumni is that they wish they could take a refresher course to update themselves on the many changes since they took part in Leadership Troy. Therefore, we offer Leadership Troy alumni the ability to attend any session for only \$30.00 each! Whether you choose one or all six, take advantage of the time to be updated on all going in our area.
